Course: Keeping in Balance: Creating Order Within

Keeping in Balance: Creating Order Within will take us on a journey throughout Scripture as we discover the relevance of Old and New Testament wisdom to our daily challenges. Join us as we explore Biblical ways that we can manage life's pace and pressure while living with calm and steadiness.

According to Richard Swenson, M.D., we have "more and more of everything, faster and faster." Unfortunately, this can leave us feeling frazzled and out of control. God wants to support and help us so that we can be our best in every season of our lives.

Some of the questions we'll explore:

- Do you feel pulled in many directions?
- Do you find it hard to balance the demands placed on your time?
- Is it difficult to manage all the details thrown your way?

What Our Lady of Fatima parishioners said after participating in Walking with Purpose

"I did not think I would enjoy this very much but was surprised to see every lesson offered real insight into something either for me or my family"

"The program answered a lot of my questions on my Catholic faith & opened my eyes to a greater understanding of scripture."

"I feel so comfortable with this wonderful group of ladies. Our discussions and sharing our views on our faith create a special bonding along with respect. I am looking for our next WWP sessions; with my church family."
